# #1 Virtue

“For this very reason, make every effort to supplement your faith with virtue”

# #1 Virtue

“See that your faith carries with it real goodness of life.” (JB Phillips)

# What does virtue look like for us?

- To be someone who is straight and honest with people
- To be someone who is kind to other people
- To do practically helpful things in the life of the church family but also to others who are outside of the church family

To be straight, I believe in the person of Jesus Christ. I believe that he died for me, he saved me and that my calling is to serve and to love him and to serve and love my neighbours with all my heart and soul and mind and strength. So that, for me, is essential to my being. Politics will pass. I was a person before I was a politician, and that person will continue to believe that I am made in the image of God.

Kate Forbes in a BBC interview in 2021

There was a time when the world looked at Christians and thought that Christian morals and a Christian worldview was good.

But now the world looks at Christians and thinks that Christian morals are bad. Christian virtue is no longer good but is considered dangerous.
